PRINCIPAL'S MESSAGE

Our Year 12 student leaders Rose Webster and Manu Masudi flew to Sydney, Thursday 30 May to attend a leadership day conducted at Parliament including a visit to Government House to meet the Governor. Rose and Manu have travelled with leaders from Albury, Corowa and James Fallon High Schools, along with other schools in the electorate.

This week is National Reconciliation Week, a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The dates for NRW remain the same each year, 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey— the successful 1967 referendum and the High Court Mabo decision respectively.

This week at our assembly, Emily Edwards (past student) and Davina Jackson from YES Unlimited spoke to our students about their Indigenous heritage and what reconciliation meant to them.

Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.

There are a number of activities such as art and writing workshops, which students can elect to participate in during Reconciliation week at school.

As has been previously mentioned, Murray High School is a part of The Albury Project, a new way for schools and services to work together to provide support and assistance for our students to achieve their goals and thrive in school, home and life.

The Albury Project works with young people to understand their strengths and goals, and to help them use those strengths and to gain new skills to achieve their goals. In particular, The Albury Project supports young people to respond to factors in their lives that could increase their chances of one day becoming homeless, or leaving school early without a plan for what's next. Young people and their families can benefit from The Albury Project in many ways. The Albury Project staff will work with school staff, families and anyone else who is needed, to respond to the needs of each young person that they are working with. The Albury Project will identify which students might benefit from support through a survey that is completed by all students in the school. We envisage this occurring early term 3.

We hope that everyone who has the opportunity to participate in The Albury Project will do so because it is a positive thing for young people.

An information letter will be sent home before the survey so that families know when it is happening. Families can decide at this time if they want their child/ren to do the survey. Students may decide at any time not to participate.

If you have any questions about The Albury Project, please contact: Michael Brigden

RIVERINA DANCE CAMP

Kyan Assi and Jade Judd from year 7 spent 3 days in Wagga Wagga at the Riverina Dance Camp in early April. They had the opportunity to work with professional dancers and choreographers and participated in workshops to expand their technique and knowledge of various dance styles. The camp ended with a Showcase Performance for family and friends.

SHAKESPEARE CARNIVAL

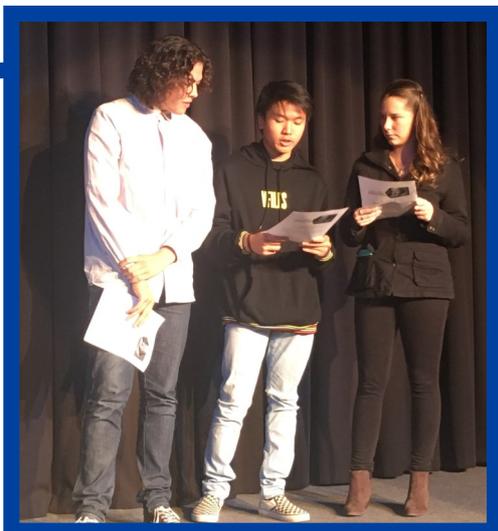

During the last week of term 1, the two Stage 5 Drama classes hosted our School Shakespeare Carnival. The Shakespeare Carnival is a statewide carnival coordinated by a Sydney company, Sport for Jove. On the night students performed in duologue and ensemble scenes from Shakespeare's plays as well as creative interpretations through movement. One smart phone video was also presented. The students were competing against each other to make it to the Regional Carnival and then potentially the State Carnival. Drama teachers, Anni Gifford from James Fallon High School and Gretchen Prowse from Albury High attended the Carnival as adjudicators and were joined by 2018 MHS State Runners Up, Chloe Neal, Jullian Ignacio and Kyle Peters. We would like to extend our thanks to them for giving up their time. The competition resulted in the following performances qualifying for the Regional Carnival to be held at Albury High School on Tuesday, 28 May:

- Duologue, extract from Taming of the Shrew performed by Mykayla Fenn and Rebecca Taylor
- Ensemble, extract from Romeo and Juliet performed by Brayden Berkhout, Aric Reimers, Malik Whitby and Nicole Llamas.

Movement, based on MacBeth performed by Nicola Brownlaw, Daisy McLean and Emily Mustchin

Smart Phone Video, based on MacBeth, devised and filmed by Georgia Borella and assisted by Mikayla Kirby and Jordan Wynd.

We wish these students all the best at the Regional Carnival where they will vie for a place in the State Carnival competition.

PLAYBOX FESTIVAL

The year 11 Drama class have started work on a self-devised piece for the Playbox Festival in June. Each participating group receives a tub filled with items and objects to use as inspiration and stimulus as they workshop their way into a performance. They have been fortunate enough to work with Chloe Martin, the festival's workshop director. Chloe grew up in Albury and since leaving high school has completed actor training at Ecole Internationale de Theatre Jacques Lecoq in Paris. She creates her own work as well as performing in a number of films and television shows.

This year, Murray High has 2 groups participating. These groups will perform in a program with student actors from other local schools including Albury High, James Fallon High, Scots School, Xavier and Trinity. The Playbox Festival will be held at The Cube Wodonga on Thursday, 06 June at 7:00pm. Tickets will be available to purchase directly from The Cube.

RIVERINA DRAMA CAMP

It's that time of year again when 90+ Drama students from across the Riverina meet up at Borambola Sport and Recreation Centre for a week of creativity, skills development and a chance to run with their clan. Lifelong friendships are formed during this week. In 2019, MHS will be sending 23 students from years 8-12 to Drama Camp along with drama teacher, Ali Waugh.

HSC DRAMA STUDY DAY

The Study Day is to be hosted by Koorringal High School in Wagga Wagga this year. The day is co-ordinated by Ali Waugh providing the opportunity for year 12 drama students across the Riverina to engage with a senior marker through workshops on the essay, Group Performance and Individual Project. SRC REPORT

After successfully helping re-jig the MHS uniform so that options can be worn all year this term the SRC has been negotiating possible plans for the future. We have come up with a list of ideas and are in the process of working out how to implement them so that everyone at MHS feels included in our journey.

Working groups have been created where focus is on either to rewrite the MHS SRC Constitution into a more workable document, look at introducing a day to celebrate June Pride Month and lastly to survey the school body about the area zones for each age group and how to better manage them over the winter months.

The SRC relies on feedback from the MHS community to work effectively and we are open to any new ideas for the improvement of our school, though we do need support to carry out activities. Due to low number of purchases (mainly staff supported the project) the major fundraiser of buying a paver brick has been cancelled and refunds will be issued from the finance section of the front office.

We have had a busy start to the term in the Sport Department with many students already representing MHS in sporting teams.

The DET requirements relating to mandatory weekly participation in sport and physical activity for students in Years K-10 is that they must participate in a minimum of 150 minutes of planned moderate with some vigorous physical activity across the school week. This time includes planned weekly sport.

MHS policy states that students must be in attendance at sport. If students are sick or injured, they can attend non-sport where they are able to complete homework or other school related tasks. There are also options for students to assist as officials and referees at their sport so that they are engaging with the sport program.
